

Wine Tasting in Avellino

Visit the Di Prisco winery in Fontanarossa, established in 1995 by Pasqualino Di Prisco, who inherited the farm in Contrada Rotole from his father and grandfather. With a desire to bring to light indigenous varieties of little-known wines such as Greco di Tufo, Aglianico, Fiano, and Coda di Volpe, Pasqualino built a winery and cellar, renovating what once was a barn. His wines have received many awards and accolades over the years which you will sample along with a variety of local cheeses. After the Di Prisco winery, you will visit a nearby restaurant for a fantastic and relaxing lunch.
