What is a Youth Sponsorship Council?

The Youth Sponsorship Program consists of three major components:

Outreach: Identifying incoming youth and providing them with information and opportunities before they arrive.

Newcomer Orientation: Providing information and materials on programs and services available on the installation and in the surrounding community.

Peer to Peer: Connecting youth currently attached to the installation with incoming youth.

The Youth Sponsorship Council advises on specific topics. Youth can join on the third Thursday monthly from 3:30-4:30 p.m. at the Teen Center.

What is HSLDA and what can they do for me?

Home School Legal Defense Association (HSLDA) passionately advocates for the freedom to homeschool and offers support for every stage of the homeschool journey.

Resources include, but not limited to: learning readiness and styles, choosing curriculum, planning the year, special needs, testing, transcripts, state laws, preparing to enter the military, webinars and more.

The Portsmouth Naval Shipyard proudly holds the first partnership between the U.S. Department of Defense (DoD) and AmeriCorps in the area of Military Family Support, bringing this database and future projects to life!
