### **Important School Traffic Safety Reminder!**

Please note the following timings for traffic around the school area. From 7:30 to 8:30 a.m. and 2:00 to 3:00 p.m. (Wednesdays 1:00-1:45 p.m.), Constellation Ave will have chains blocking the center crosswalk (aligned with the main school entrance sidewalk), the entrance/exit of Navy Lodge apartments, and behind apartment building 2056.

For the safety of our school-age children, we kindly request that school-age children walking or biking to school use the guarded crosswalk from the Navy Lodge to CDC, or the center crosswalk marked with cones. Parents dropping off students must use the school curb side, making a U-turn after the first island (using the fire lane), ensuring children only exit the vehicle at the curb side. **NO PARKING** is allowed on the right side curbs of Constellation Ave during bus drop off/pick up hours.

The CDC parking area is exclusively for CDC patrons, while school-age parents may park in the teacher/visitor fenced parking behind the elementary school for escorting their children to school.

Let's work together to keep our children safe and traffic running smoothly. Thank you for your cooperation!

*(Please see enclosed map.)*

### **REMINDER! Keep your student lunch balances with the NEX up-to-date.**

How can you do this?

First, you can check the balance at 1) the lunch line cashier, 2) your LINQ account, 3) at the NEX Customer Service Desk or 4) with the School Liaison.

Second, you can add money to the account at either 1) the LINQ account or 2) at the NEX Customer Service Desk.

Third, you have an option to make reoccurring and automatic payments on your LINQ account. You may choose different amounts to charge to your credit card each time your balance hits a certain amount. You may also choose different payments and different balances for different students in the same household.

Visit <https://linqconnect.com> for online payment information.

*(Please see enclosure.)*
